

Maintenance Choice[®]

Beginning 1/1/2018 — An Enhanced Way to
Fill Long-Term Prescriptions

With **Maintenance Choice[®]**, you and your covered family members will now have the choice of obtaining long-term prescriptions (up to a 90-day supply) at any CVS Pharmacy[®] in New Hampshire or nationwide (including Target locations), or continue to utilize the mail service program through CVS Caremark[®] (up to a 90-day supply). Either way, it's a convenient way to fill your long-term or maintenance medications while reducing your prescription costs.

CVS Caremark[®] Mail Service Pharmacy

- » Enjoy convenient delivery to the location of your choice.
- » Receive your medicine(s) in private, tamper-resistant and (when needed) temperature-controlled packaging.
- » Talk to a pharmacist by phone, any time of the day or night.

CVS Pharmacy[®]

- » Pick up medicine at a time that is convenient for you.
- » Enjoy same-day prescription availability.
- » Talk with a pharmacist face-to-face.

To get started, log in to your secure HealthTrust account at www.healthtrustnh.org and click the CVS Caremark[®] button, or use the CVS Caremark[®] mobile app*.
